“EVERY SHAPE HAS A STORY TO SHARE; LET’S FIND THEM HERE AND EVERYWHERE”

Dear Parent

Greetings of the day!

Shapes are everywhere around us and understanding shapes not only sparks a child’s curiosity but also lays a strong foundation for math in early stage. To make this learning experience engaging and fun, we are excited to announce the ‘Shape Mania Competition(Ramp Walk Show)’ for classes Nursery to UKG on **11 February 2025 (Tuesday)**.

Kindly note down the following points:

- Child should speak 2-3 lines about their chosen shape in English only.
- Kindly fill the below given consent and send it to the class teacher latest by 24 January 2025 (Friday).
- We encourage creativity, so avoid rental costumes.
